

# Dot to dot!

Start at one and keep on counting... join the dots to find the hidden animal!

**Don't let nasty oils and chemicals go down stormwater drains**

**Put rubbish in the bin**

**Remove invasive weeds from your garden that can spread to waterways**

**Use water wisely!**

All creatures need water for life. Plants and wildlife depend on us to conserve water and keep our waterways clean and flowing freely.

**Join the club!**

There's more to do and discover at [www.coliban.com.au](http://www.coliban.com.au)
