

January 2008

Water Trailer

The Water Fountain Trailer is a portable facility which Coliban Water may make available through a sponsorship arrangement for eligible, large, outdoor community events. The sponsorship value of the Trailer is \$500 per day.

The Trailer is custom built with two stainless steel troughs, each containing four bubble taps for drinking and four push button taps. Two large billboard signs, situated above each trough on a "A" frame, make the Trailer highly visible in crowds and clearly advertise the Trailer's purpose.

Conditions

The following conditions apply to the use of the Trailer:

- The event must meet the requirements of sponsorship as specified in Coliban Water's sponsorship guidelines – www.coliban.com.au
- Generally, the number of participants for the event should be anticipated to exceed 300 people and 4 hours duration.
- The event must be in an outdoor location with a dedicated water connection to reticulation systems supplied by Coliban Water in the Bendigo, Castlemaine, Echuca and Kyneton areas. A site inspection may have to be arranged well before the event to determine a suitable location.
- Coliban Water will arrange for the setting up and dismantling of the Trailer but staff will not be in attendance during the event. A contact number will be made available in case of breakdown.
- Organisers of the event must provide security for the entire period for which the Trailer is on site and facilitate unhindered access for the plumbers installing and dismantling the Trailer.
- Coliban Water holds no responsibility for the Trailer becoming unavailable as a result of breakdown or other unforeseen circumstances.
- Notices or advertising must not be attached to any part of the Trailer.
- Bookings should be made at least four weeks in advance.

Enquiries

To enquire about booking the Water Trailer for your event, a 'Water Trailer Request Form' needs to be completed and returned to Coliban Water. These forms are available on our website, www.coliban.com.au under sponsorships or through contacting the Marketing Officer on the details below.

Mail Marketing Officer
37 – 45 Bridge Street
Bendigo. VIC 3550

Phone 1300 363 200

Email publicaffairs@coliban.com.au

Once completed and assessed, a 'Water Trailer Agreement Form' is then sent to finalise booking and use arrangements.
