

Please Note:

1. A temporary transfer for the current watering season only, of the whole or part of a Water Licence volume may be approved where the land receiving the transferred allocation can be supplied as efficiently as the donor land.
2. Only property owners already holding a Water Licence can seek additional water for their property through Temporary Transfer of a Water Licence volume.
3. Only the volume shown on this application will be considered for transfer. (Any excess sales volume which is available will remain with the seller unless included in the volume shown on the application).
4. The volumetric account for water supplied under Temporary Transfer is sent to the buyer.
5. A \$65.00 transfer fee applies to each temporary transfer application approved.
