Visitors and people working on my property will be informed not to drink the recycled water.	<input type="checkbox"/> Yes <input type="checkbox"/> No

Site Use Agreement

I,

of,

agree that by signing this document I understand that recycled water produced in accordance with EPA guidelines will be used in the Coliban Rural System to supply the channel that I am supplied off.

I understand my property can be audited by Coliban Water / Coliban Water Representative as part of the audit requirements set by the EPA and advised in the Coliban Rural Customers Health and Environmental Management Plan (HEMP).

I accept that Coliban Water may cease the provision of recycled water at any time, in the event that testing indicates that quality limits cannot be met or sufficient volumes are not available.
