

STRATHFIELDSAYE TANNERY LANE

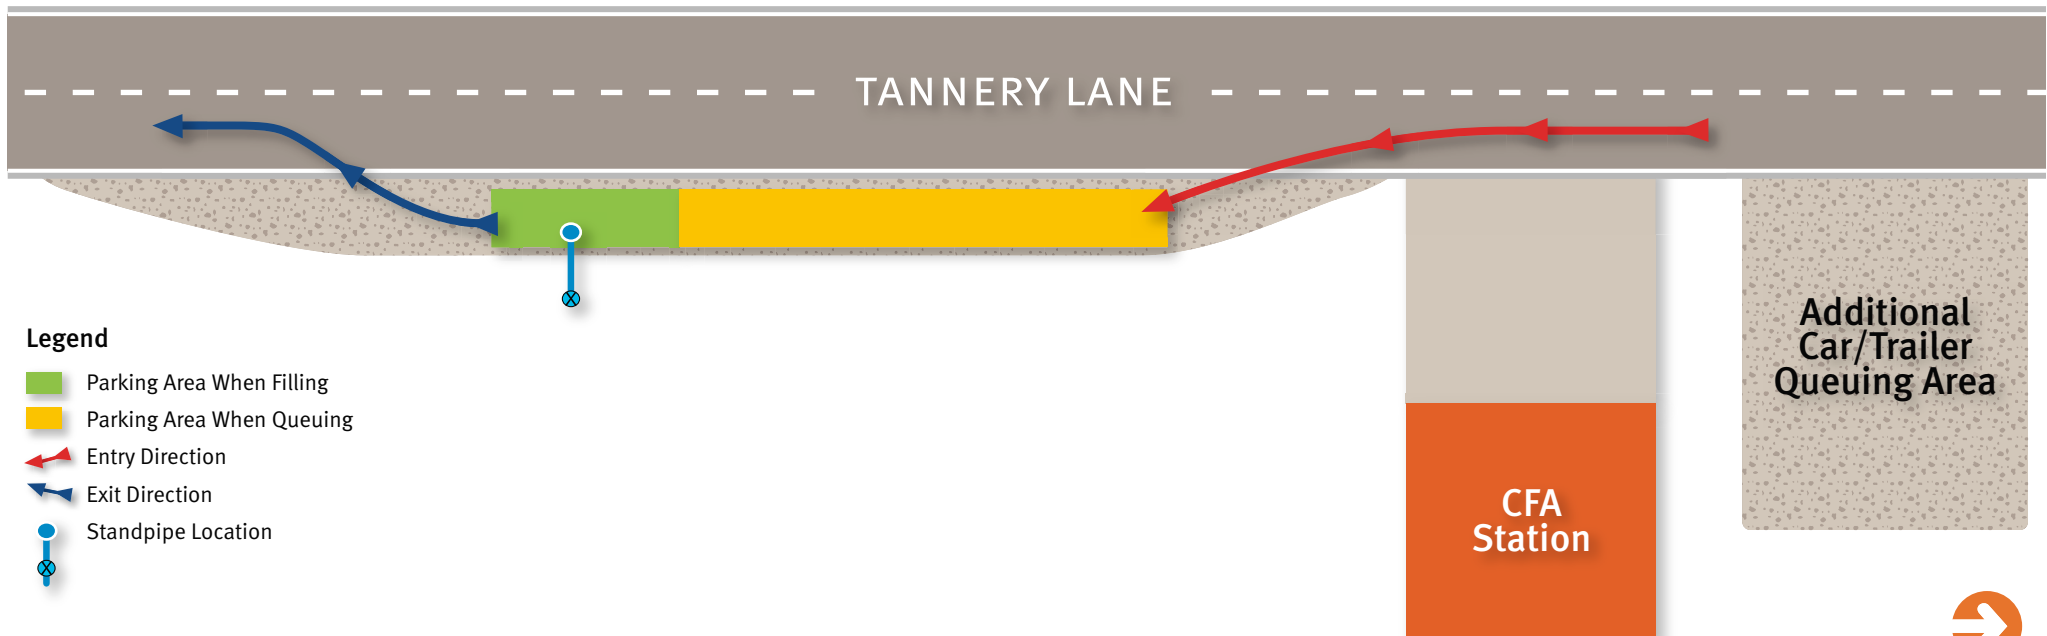

General Notes for Standpipe Usage

1. Drivers need to ensure they are aware of their vehicle/trailer's legal rated carrying capacity.
2. Vehicles must not leave the site overloaded.
3. When loading tanks ensure that you do not put yourself at risk by climbing in unsafe areas.

Site Specific Notes

1. If there is no room to park in the yellow queuing area, vehicles need to leave the site and return when there is sufficient room to queue safely.
2. If the queuing area is full, vehicles may be permitted to park in the area marked 'Additional Car/Trailer Queuing Area'.
3. When leaving the site all vehicles will move slowly – drivers need to take extra care in avoiding a collision with approaching traffic.
4. Drivers should avoid performing a U-Turn when leaving the site.
