

Road Closures

Goldfields Superpipe – Bendigo Link

There will be temporary road closures (for typically 2 days duration at a time) in the coming weeks due to construction works associated with the Goldfields Superpipe – Bendigo Link project. Road impacted are:

- **Channel Road** (near the pump station site north of Colbinabbin)
- **Muskerry East School Road** (south of Joyces Road)
- **Craig Road** (near the corner of Harrington Road)
- **Harrington Road** (near the corner of Craig Road)
- **Knowsley - Barnadown Road** (between Russells Bridge Road and Gloster Lane)
- **Browns Lane** (south of Russells Bridge Road)

Please note that the following roads will not be closed as works will be conducted by boring underground and hence do not require the roads to be closed. However please be alert for works within the vicinity of:

- **Bendigo Murchison Road**
- **Heathcote Rochester Road**
- **Northern Highway**
- **Mclvor Highway**

This list may be subject to change so please Please contact the project information desk on the free call number 1800 448 408 for further information.
