

## Water restrictions summary

This is a summary of water restrictions on Stage 1. For full details refer to *By-Law No. 10 Water Restrictions* on our website - [www.coliban.com.au](http://www.coliban.com.au) and click on the link to *Water Restrictions*.

### 'Odds and Evens' watering rules apply:

- For odd-numbered properties, water on odd-numbered days of the month
- For even-numbered or un-numbered properties, water on even-numbered days of the month
- All properties can be watered on the 31st day of the month

-  **Odd numbered properties**  
Water on Odd numbered days
-  **Even and un-numbered**  
Water on Even numbered days
-  **Anyone can water on the 31st**

During this period of restriction, water supplied by Coliban Water from a water main (other than recycled water) shall be used in accordance with the following:

|   |  |
|---|--|
| <p>Residential and Commercial Gardens &amp; Lawns</p> | <p><b>Autumn and Winter Watering Times</b></p> <ul style="list-style-type: none"> <li>▪ Manual sprinklers must not be used except between the hours of 7:00am and 9:00am and between the hours of 5:00pm and 7:00pm, and only then as required, and using the 'odds and evens' system.</li> <li>▪ Automatic sprinklers must not be used except between the hours of midnight and 4:00am, and only then as required, and using the 'odds and evens' system.</li> <li>▪ A hand-held hose or bucket can be used at any time.</li> </ul>   |
| <p>Public Gardens &amp; Lawns</p>                     | <ul style="list-style-type: none"> <li>▪ Manual sprinklers must not be used except between the hours of 6:00 am and 10:00 am and between the hours of 8:00 pm and midnight, and only then as required, and using the 'odds and evens' system.</li> <li>▪ Automatic sprinklers must not be used except between the hours of midnight and 8:00am, and only then as required, and using the 'odds and evens' system.</li> <li>▪ A hand-held hose or bucket can be used at any time.</li> <li>▪ Notwithstanding the above, a public garden may be watered in accordance with an approved Water Conservation Plan.</li> </ul> |

|   |   |
|---|---|
| Vehicles                                    | <ul style="list-style-type: none"> <li>Pre-rinse and rinse by hand-held hose; wash from a bucket.</li> <li>Use a gurney-style high-pressure washing device.</li> <li>Commercial car wash using a gurney-style high-pressure cleaner is OK.</li> </ul>   |
| Paving, concrete & other hard surfaces      | <ul style="list-style-type: none"> <li>Hosing banned except for construction purposes or in emergency; or for health or safety hazard.</li> </ul>   |
| Residential or Commercial Pools & Spas      | <ul style="list-style-type: none"> <li>New pools or spas of less than 2000 litres capacity may be filled.</li> <li>New pools or spas of greater than 2000 litres capacity must not be filled unless a Water Conservation Plan has been submitted to Coliban Water and approved.</li> <li>An existing pool or spa of less than 2000 litres capacity may be filled by hand-held hose.</li> <li>An existing pool or spa of greater than 2000 litres capacity must not be filled unless a Water Conservation Plan has been submitted to Coliban Water and approved.</li> <li>An existing pool or spa must not be topped up except by means of a hand-held hose or bucket.</li> </ul>                      |
| Pond or Lake                                | <ul style="list-style-type: none"> <li>A new pond or lake must not be filled from empty without written permission of Coliban Water.</li> <li>An existing pond or lake can be topped up by a hand-held hose (fitted with a trigger mechanism) or bucket only.</li> </ul>  |
| Fountains or Water Features                 | <ul style="list-style-type: none"> <li>Must not operate unless the water recirculates and can only be topped up by bucket or hand-held hose.</li> </ul>   |
| Construction                                | <ul style="list-style-type: none"> <li>Hose used in construction works must be fitted with a trigger mechanism or flow shut-off device. Water may be used where safe operation of equipment requires it, or for normal testing/flushing of pipes or other works.</li> </ul>   |
| Dust Suppression                            | <ul style="list-style-type: none"> <li>Water must not be used to suppress dust, unless dust is causing a health or environmental hazard; and then only by means of either a hand-held hose, fitted with a trigger nozzle or by a watering can, filled either by a hand-held hose fitted with a trigger nozzle, or directly from a tap.</li> </ul>   |
| Mobile Water Tankers                        | <ul style="list-style-type: none"> <li>A tanker must be registered with Coliban Water for the purposes of water carting, and a permit obtained. Once registered, fill anytime for in-house use, firefighting, construction, dust suppression or public health purposes. Any other intended use must be consistent with other provisions of the Bylaw.</li> </ul>  |
| Dams and tanks                              | <ul style="list-style-type: none"> <li>Can be refilled only for firefighting, public health or stock use, and only then with written permission of Coliban Water.</li> </ul>  |
| Poultry Sheds                               | <ul style="list-style-type: none"> <li>Sprinklers OK between 6 am - 9 pm, but only when the temperature inside the shed reaches 30 degrees. Use fogging systems anytime.</li> </ul>   |
| Sportsgrounds                               | <p><i>Exempt Playing Surfaces</i></p> <ul style="list-style-type: none"> <li>Manual sprinklers must not be used except on a needs basis, between the hours of 6:00am and 10:00am and between 8:00pm and midnight, according to the 'odds and evens' system.</li> <li>Automatic sprinklers must not be used except on a needs basis, between the hours of midnight and 8:00am, according to the 'odds and evens' system.</li> <li>Sportsgrounds may be watered at any time by means of a bucket or hose, fitted with a trigger mechanism or flow shut-off device.</li> <li>Notwithstanding the above, a sportsground may be watered in accordance with an approval Water Conservation Plan.</li> </ul> |
| Commercial Market Garden or Plant Nurseries | No restrictions.  |
