Current licence holder's approvals / declarations

This application must be signed by all licence holders. The signing of this application is acknowledgement that you:

- understand that if the full volume is transferred and I/we wish to obtain a take and use water licence in the future it will have to be purchased from a current water licence holder if available.
- understand that any future applications we make will be assessed and considered but may not be approved depending on the water availability at that point in time.
- understand that the information provided on this form is true and correct. I/we are aware that it is an offence to supply false or misleading information.
- are aware that Coliban Water may release information contained in this application, at the discretion of Coliban Water to relevant parties and organisations in accordance with the relevant legalisation. Coliban Water protects your privacy by collecting and handling information in accordance with the requirements of the *Information Privacy Act 2000*.
- understand that all outstanding accounts which will also include a final account invoice detailing access, capacity and volumetric changes up to the date this transfer is processed, are to be paid in full.
