

Poster competition 2020

To celebrate National Water Week (19-25 October 2020) Coliban Water and the Australian Water Association are calling for students to enter the annual poster competition.

This year's theme is 'Reimagining our water future'. As our population grows, there will be more stress on our water resources. How can we reimagine the way we use and reuse water to ensure there is enough of it in the future? Show us how to be a 'water hero' at school or home or innovations for towns and communities.

School prize

All participating schools go in a random draw to win a \$150 grant towards a sustainability project, purchase of water efficient products or educational materials.

Student prizes

Regional winners and placed entrants receive water prize packs. Regional winners in each category win a book from a local bookshop and are automatically entered into the state competition where additional school and individual prizes are awarded to 1st, 2nd and 3rd placed. Winners announced in National Water Week. Prize details on entry form.

Judging criteria

How well does the poster communicate relevant water-related issues?
How attractive does it look from a distance?
Have art materials been used effectively?
Does the poster use innovative imagery, design or concepts?

Entry conditions

Entries are invited in five categories:

Foundation Years 1 and 2

Years 3 and 4 Years 5 and 6

Student with a disability

In 2020 paper and digital posters are encouraged either as A3 or A4. Any art material and digital technology can be used, including paint, textas, coloured pencils, collage materials, *original* photographs & digital graphics. Group artwork will not be accepted (only one student per artwork).

An official entry form must be securely attached to the back of each poster (no paper clips) or via PDF for online entries. Entries close 5 pm, Friday 11 September 2020 and can be posted or emailed (digital submissions and/or scanned hard copy entries) to:
